
It's fun times seven!

What's a 7 Canyons Adventure anyway? Well the story goes like this, Columbia River Safaris is part of a great family...the 7 Canyons Adventure family. We offer a variety of activities and services in the tourism industry in Golden BC.

What does this mean to you, our guests and clients? 7 Canyons adventures continues to lead the way in sustainable tourism and responsible tourism development. We cherish our home in Golden, so highly, we put an emphasis on building our community, not exploiting it. If you're comparing activity providers in the area and they aren't talking about sustainability and the impact that their operations have on the environment you're coming to see, they probably aren't thinking about it either. Rest assured, we are taking care of the details and looking for new and innovative ways to improve everyday! It's never easy to do the right thing, but our company culture has been built with that as a cornerstone of our business. It puts a happy warm feeling in our hearts that shows on every smiling face of each team member here... Discover the passion of our people and the power of nature!
